Peer Feedback	
Strengths – What have they done well? Explain why.	Identify any tasks which are missing or incomplete. Identify tasks that need improvement.
All work produced so far has been completed well and there's enough information to understand what the ideas are and how they plan on being made.	The only two things which aren't complete are the proposal and also the research for the final idea.

Student Action Plan

R = Referral / S = Satisfactory / G = Good / E = Excellent

Interim Deadline 1

I will first make sure that I finish the proposal in its entirety and then move on to conducting the final research needed for my chosen idea.
